ESSENTIAL NOTES

1. Conference award is strictly meant for the life members of the society and if they are not life member of the society then they must ensure first that this essential criteria is fulfilled and then submit their application form.
2. For the Best Master and Doctoral thesis award, attach separate sheets enlisting the objectives, salient summaries of achievement and a two page thesis abstract notes highlighting notable achievements in the field that merit consideration.
3. Society has full faith that the claims of your application towards you candidature for the award are true and organisers/society will not be responsible for any false claims in award applications.
4. Conference Organisers/Society will not pay TA/DA for attending the award function.
